

Terms, Conditions and Signature

Important Information Regarding Patriot Act Requirements

To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial organizations to obtain, verify, and record information that identifies each individual who opens an account. What this means for you, when you open an account, you are required to provide your name, residential address, date of birth, and identification number. As part of the ongoing maintenance of your account we may require other information or documentation that allows us to identify you. You understand that your HSA may be closed if additional verification is not possible. Upon such closure, funds deposited in your HSA will be returned to you or your employer, less any fees or expenses chargeable against your HSA, or penalties or surrender charges associated with the early withdrawal of any savings instrument or other investment in your HSA account. As custodian, Healthcare Bank, a division of Bell Bank shall not be liable for any tax consequences or tax withholdings you may incur as a result of the transfer or distribution of your assets.

Important Information about Electronic Payments

I authorize electronic debit and credit entries, if applicable, to my designated checking or savings account. I also authorize adjustments to these accounts for error corrections. This authorization will remain in effect until the termination of your HSA.

Important Information about your Account

The maximum balance allowed in my Cash Account is based on the designated threshold established by my HSA Administrator or me.

Important Information Regarding Death Beneficiary Information

If neither primary nor contingent is indicated, the individual or entity will be deemed to be a primary death beneficiary. If any primary or contingent death beneficiary dies before me, his or her interest and the interest of his or her heirs shall terminate completely, and the percentage share of any remaining death beneficiary(ies) shall be increased on a pro rata basis. If more than one primary death beneficiary is designated and no distribution percentages are indicated, the death beneficiaries will be deemed to own equal share percentages in the HSA. Multiple contingent death beneficiaries with no share percentage indicated will also be deemed to share equally. If no primary death beneficiary(ies) survives me, the contingent death beneficiary(ies) shall acquire the designated share of my HSA.

I understand that if I designate my spouse as primary death beneficiary or contingent death beneficiary of the HSA, the dissolution, termination, annulment or other legal termination of my marriage will automatically revoke such designation.
