

Harvard University Copayment Reimbursement Program (CRP) FAQ

For ATC, HUCTW (including at Dumbarton Oaks), HUPA, HUSPMGU, LOCAL 26, & SEIU Custodians

What is the CRP?

Harvard University provides a unique reimbursement program to assist employees who face high medical costs during the plan year. You do not need to enroll in this coverage, but you do need to meet the eligibility requirements. If you are eligible, once you meet the thresholds described below, you may be reimbursed for covered medical costs. Reimbursements will not exceed your insurance plan's total out-of-pocket maximum amount.

Who is eligible for the CRP?

You must be an ATC, HUCTW (including employees of Dumbarton Oaks), HUPA, HUSPMGU, LOCAL 26, or SEIU Custodian union member and enrolled in one of Harvard University/Dumbarton Oak's Medical Plans.

How does this benefit work?

A certain threshold in qualifying reimbursement expenses must be met before reimbursement will be made. The threshold is determined by your full-time equivalent (FTE) salary* and whether you submit expenses for one eligible family member or multiple eligible family members:

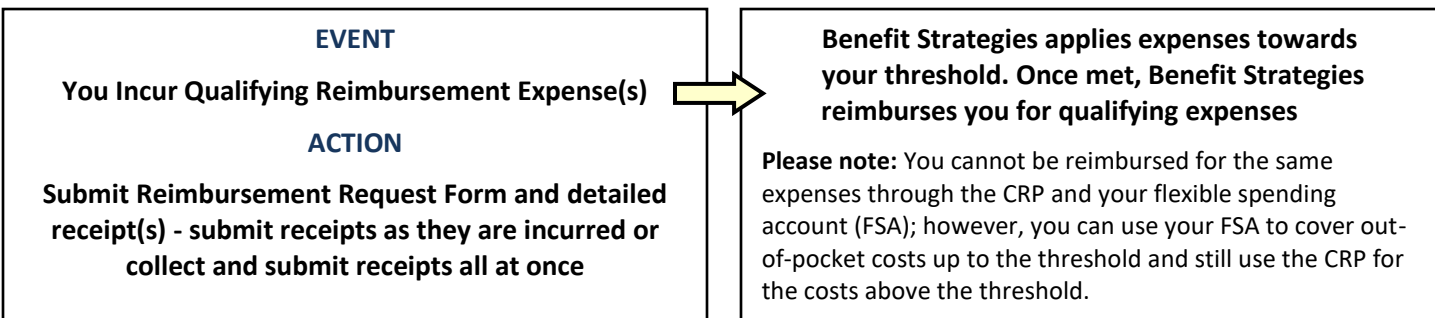

COPAYMENT REIMBURSEMENT PROGRAM THRESHOLDS

Full Time Equivalent (FTE) Salary*	Thresholds					
	Individual** or family coverage and submitting expenses for one family member only for the plan year			Family Coverage** and submitting expenses for more than one family member at any point during the plan year		
	Office Visit Copays	Prescription Copays	Hospital Copays***	Office Visit Copays	Prescription Copays	Hospital Copays***
Less than \$75,000	\$225	\$500	\$300	\$550	\$1,000	\$450
\$75,000+	\$450	\$1,000	\$600	\$1,100	\$2,000	\$900

*FTE salary is your annual salary if you work full-time. If you work less than full-time, your FTE is the salary you would earn if you worked full-time at the same rate of pay. Thresholds are based on your FTE salary at the time you submit for reimbursement, not your FTE salary at the time expenses are incurred.

**If you submit expenses for more than one family member, you will be reimbursed for any expenses incurred above the family threshold. If you initially submit expenses for one family member and receive reimbursement for expenses above the individual threshold, but subsequently submit expenses for another family member, you will not receive additional reimbursements for any family member until the family threshold is met. For ATC, HUPA, and SEIU Custodian, family coverage includes employee + spouse/domestic partner, employee + child(ren), and family coverage levels.

***Hospital copayments refer to copayments for emergency room, inpatient hospital, outpatient hospital, and high-tech imaging.

What are qualifying CRP expenses?

The CRP reimburses in-network office visit, prescription drug, and hospital*** copayments incurred through your Harvard-sponsored medical plan. For an expense to be eligible, you must meet the participant eligibility criteria at the point the expense is incurred.

***Hospital copayments refer to copayments for emergency room, inpatient hospital, outpatient hospital, and high-tech imaging.

Who administers the Harvard University CRP?

Benefit Strategies, LLC is Harvard's administrator for this benefit.

How do I submit for reimbursement?

If you are enrolled in an individual plan you can submit detailed and legible receipts with a completed CRP Reimbursement Request Form to Benefit Strategies. Benefit Strategies will apply expenses towards your threshold. Your threshold is based on your FTE salary at the time you submit for reimbursement. Eligible expenses submitted above the threshold will be reimbursed to you. As you continue to incur qualifying CRP expenses, you may submit for reimbursement in the same manner.

If you are enrolled in a family plan, you have two options:

- If you have one family member who meets the individual threshold, you can submit expenses for that one family member and be reimbursed any of that family member's eligible expenses above the individual threshold. If you then submit expenses for any other family member(s), you will not receive any additional reimbursements for any family member(s) until you meet the family threshold, at which point you will be reimbursed any eligible expenses above the family threshold.
- If you do not have one family member whose expenses meet the individual threshold, but you have multiple family members who combined meet the family threshold, you can submit expenses for those family members and be reimbursed for any eligible expenses above the family threshold.

What is supporting documentation/detailed receipt?

Explanation of Benefits (EOB) from your medical plan carrier; and detailed (includes date of service, type of service provided, patient name, etc.), legible receipts from in-network medical providers, and retail and mail-order pharmacy providers are considered supporting documentation. Cancelled checks and credit card receipts by themselves are not acceptable.

IMPORTANT INFORMATION

Claims for Qualifying Copayment Reimbursement Program expenses incurred during the plan year (January 1 – December 31) MUST BE POSTMARKED by March 31 of the following year.

PLEASE NOTE: Nothing in this section of the form is intended to supersede or replace the provisions of the Harvard University Medical Reimbursement Plan (the “Plan”). If there is a conflict between this section of the form and the Plan, the Plan will control.

Eligibility You must be an active Harvard employee covered by ATC, HUCTW union (including employees of Dumbarton Oaks who are covered by HUCTW), HUPA, HUSPMGU, Local 26, or SEIU Custodian and enrolled in a Harvard/Dumbarton Oaks medical plan. You can be reimbursed for eligible expenses incurred within the plan year in excess of the following amounts:

Full Time Equivalent (FTE) Salary*	Thresholds (based on your FTE salary at the time you submit for reimbursement)					
	Individual coverage, or family coverage but submitting expenses for the plan year for one family member only**			Family Coverage** submitting expenses for the plan year for two or more family members		
	Office Visit Copays	Prescription Copays	Hospital Copays	Office Visit Copays	Prescription Copays	Hospital Copays**
Less than \$75,000	\$225	\$500	\$300	\$550	\$1,000	\$450
\$75,000+	\$450	\$1,000	\$600	\$1,100	\$2,000	\$900

* FTE salary is your annual salary if you work full-time or, for those who work less than full-time, the salary that would be earned working full-time at the same rate of pay. Thresholds are based on your FTE salary at the time you submit for reimbursement, not your FTE salary at the time expenses are incurred.

** If you submit expenses for more than one family member, you will be reimbursed for any expenses incurred above the family threshold. If you initially submit expenses for one family member and receive reimbursement for expenses above the individual threshold, but subsequently submit expenses for another family member, you will not receive additional reimbursements for any family member until the family threshold is met. For ATC, HUPA, and SEIU Custodian, family coverage includes employee + spouse/domestic partner, employee + child(ren), and family coverage levels.

*** Hospital copayments refer to copayments for emergency room, inpatient and outpatient hospital, and high-tech imaging.

Copayment Reimbursement Program (CRP) and Health Flexible Spending Accounts (FSA): The CRP is separate from the Health FSA, and you need not elect a Health FSA to take advantage of the CRP. You cannot be reimbursed for the same expenses through the CRP and your Health FSA; however, you may choose to use funds from a Health FSA to cover the copayment thresholds shown in the chart above. Once you have met the applicable threshold, you should submit additional eligible copayments to the CRP (not to your Health FSA), and you will be reimbursed in full for eligible copayments above the threshold. You will need to submit supporting documentation for all copayments, including the threshold amounts, with the CRP reimbursement form.

Qualifying CRP expenses: In-network office visit, prescription drug, and hospital copayments incurred through your Harvard-sponsored medical plan. In order for an expense to be eligible, you must meet the participant eligibility criteria at the point the expense is incurred. Out-of-network expenses, and dental plan and vision plan expenses are not eligible.

When to Submit Your Reimbursement Requests: Reimbursement requests must be submitted by the end of the run-out period, which is March 31 following the close of the plan year (January 1 – December 31); or if March 31 falls on a Saturday, Sunday, or holiday, the next business day. Please note, your threshold will be based on your FTE salary at the time you submit for reimbursement, not your FTE salary at the time expenses are incurred.

Supporting Documentation: You must provide legible receipts from the provider for all qualifying CRP expenses, including expenses that satisfy the applicable threshold, for which you are requesting reimbursement. Receipts must clearly show:

1. Name of person receiving service
2. Nature of service or supplies
3. Name and address of care provider
4. Amount charged to patient
5. Date the service was provided

Keep copies for your records. Explanation of Benefits from the medical plan carrier are also acceptable. Canceled checks and credit card receipts by themselves are **not** acceptable. Failing to submit supporting documentation will delay (or prevent) claims processing.

How to Submit Your Reimbursement Requests You may submit your reimbursement request (this form and all supporting documentation) to Benefit Strategies, LLC by fax, mail, or secure email. If your reimbursement request is denied, written notification will be mailed to you. In some cases, you may be allowed to resubmit expenses with proper documentation.
