

Prefer to Shop Online for FSA and HSA Eligible Items?

We Have Options!

<https://www.benstrat.com/online-shopping-options/>

FSA Store and HSA Store Option

- Sells only eligible items.
- Purchase eligible Over-The-Counter (OTC) medicines and drugs with your Benefit Strategies debit card.
 - FSA/HSA Store will work with you to obtain the prescription needed for the OTC items to be eligible.
- Toll free number and Online chat for assistance.
- Shipping is free on order totals of \$50 or more. A flat rate shipping fee of \$5.99 applies on orders less than \$50.

Health Shopper Option

Purchase and Shipping Through Amazon

- Displays only eligible items; when ready to purchase you are automatically transferred to Amazon.com.
- Add your Benefit Strategies debit card as an Amazon FSA/HSA payment method so eligible items will be charged to the card.
 - Benefit Strategies debit card will not work for Over-The-Counter (OTC) medicines and drugs since a prescription is necessary for these items to be eligible.
- Amazon Prime members get free shipping; non-Prime members pay Amazon shipping rates.
