Benefit Strategies, LLC Recognized by Evolution1™ for Outstanding Achievements

Earns Partner Excellence Award for Evangelism

Minneapolis, MN – June 2012 — Benefit Strategies, LLC has been honored by [Evolution1™](#) with a 2012 Excellence Award for outstanding business achievements. Benefit Strategies, LLC received the Excellence Award for Evangelism at [Partner Conference 2012](#), the annual Evolution1 Partner conference recently held in Minneapolis.

Benefit Strategies, LLC was selected for the award because of its strong commitment to and evangelism of Evolution1's products and solutions. Benefit Strategies, LLC has been active in sharing its experiences with Evolution1 as well as providing ongoing feedback to help improve future product releases. Benefit Strategies, LLC was chosen from more than 450 Evolution1 Partner organizations and dozens of nominations. Award winners represent the top echelon of the high-achieving Evolution1 Partner ecosystem.

The Excellence Awards, established in 2009, are presented yearly and recognize Evolution1 Partners that have achieved extraordinary notable accomplishments. Award recipients were recognized for reaching significant milestones in 2011 across several areas including growth, evangelism, leadership, innovation, and customer service as well as overall outstanding Partner successes. Evolution1 Team Members contributed Excellence Award nominations.

The 2012 Partner Excellence Awards were presented in 10 categories: Service Excellence, Growth Excellence, Leadership, Evangelist of the Year, Innovator, Market Maker, New Partner of the Year, Card Partner of the Year, Platform Partner of the Year, and Partner of the Year.

About Evolution1

Evolution1 and its Partners serve more than 8 million consumers, making it the nation's largest electronic payment, on-premise and cloud computing healthcare solution that administers reimbursement accounts, including HSAs, HRAs, FSAs, VEBAs, PRAs, Wellness and Transit Plans. It is the only solution that offers a single end-to-end user experience, provides innovative auto-substantiation technologies, and automates workflow for Partners, employers, and consumers.
