

1Mobile by Evolution1 Wins Another “Best Of” Accolade

January 07, 2014 09:02 AM Eastern Standard Time

MINNEAPOLIS--(BUSINESS WIRE)--1Mobile by Evolution1® – an industry-leading solution offered by Evolution1® that provides healthcare account access anywhere, anytime – has been named one of the best mobile products of the year in the 2013 Mobile Star Awards™ program.

“1Mobile and Evolution1 enable us to do exactly that.”

This is the second consecutive year 1Mobile has been named a “Shining Star” in the annual competition, which is hosted by the mobile technology news and directory site MobileVillage.com. The Mobile Star Awards program showcases the best products in categories covering consumer mobile apps, devices, enterprise mobile solutions, enterprise success stories, and technology visionaries.

1Mobile is the mobile solution of choice for Benefit Strategies, LLC, a proven national third party administrator with more than 25 years of experience in benefit administration. Its clients – which range in size from 10 to 100,000 employees – have fully embraced the solution. “The self-service numbers are higher than we ever thought possible,” said Bethany Smith, executive vice president at Benefit Strategies. “Customer satisfaction is priceless, and 1Mobile is available 24/7. Our clients love it.”

With 1Mobile, consumers can view their HSA , FSA, and HRA account balances and details, track expenses, submit healthcare account claims, and capture, store, and send receipts anytime, anywhere on any iPhone, Android, or tablet device.

For Benefit Strategies, Evolution1’s vision to simplify the business of healthcare is evident. “Our goal is to give our clients a simplified user experience,” Smith said. “1Mobile and Evolution1 enable us to do exactly that.”

“Winning a Mobile Star Award is a great accomplishment now recognized by the entire mobile industry,” concluded MobileVillage founder and CEO Jon Covington. “Mobile is the fourth great wave of computing, and there are now millions of products competing for our attention. Mobile Star Awards winners and nominees stand out from this crowd as the star innovators to watch and follow.”
