Benefit Strategies, LLC Recognized by Evolution1 for Outstanding Achievements

Earns Service Excellence Award

Orlando, FL — March 20, 2013 — Benefit Strategies, LLC has been honored by [Evolution1](#)[®] with a 2012 Partner Excellence Award for outstanding business achievements. Benefit Strategies received the Excellence Award for Service at Partner Conference 2013, the annual Evolution1 Partner conference recently held in Orlando, Florida.

Benefit Strategies was selected for this award because of its extraordinary performance across a number of service statistics including customer retention percentage, same employer participation change, and payment cycle times. Benefit Strategies was chosen from more than 500 Evolution1 Partner organizations and dozens of nominations. Award winners represent the top echelon of the high-achieving Evolution1 Partner ecosystem.

The Excellence Awards are presented annually and recognize Evolution1 Partners that have achieved extraordinary notable accomplishments. Award recipients were recognized for reaching significant milestones in 2012 across several areas including growth, evangelism, leadership, innovation, and customer service as well as overall outstanding Partner successes.

The 2012 Partner Excellence Awards were presented in the categories of: Service Excellence, Growth Excellence, Leadership, Evangelist of the Year, Innovator, Market Maker, New Partner of the Year, Card Partner of the Year, Platform Partner of the Year, and Partner of the Year.

About Evolution1

[Evolution1](#) and its Partners serve more than 9 million consumers, making it the nation's largest electronic payment, on-premise and cloud computing healthcare solution that administers reimbursement accounts, including Defined Contribution, HSAs, HRAs, FSAs, VEBAs, PRAs, Wellness, and Transit Plans. It is the only solution that offers a single end-to-end user experience, provides innovative auto-substantiation technologies, and automates workflow for Partners, employers, and consumers.
